FOR IMMEDIATE RELEASE

TRAFFIC ADVISORY STATE ROUTE 165 FROM THE SALT SLOUGH BRIDGE TO THE STATE ROUTE 140 JUNCTION IN MERCED COUNTY

Merced County – The California Department of Transportation (Caltrans) will perform one-way traffic control on State Route 165 between the Salt Slough Bridge and the State Route 140 junction.

Work will begin on Monday February 13, 2012, through Friday, February 17, 2012, from 7:00 a.m. until 5:00 p.m.

Crews will work on the shoulder at this location.

Motorists should expect 15 minute delays. Alternate routes should be taken whenever possible.

This work is scheduled to begin as listed, but is subject to change based on weather conditions.

This construction is part of the \$25.8 million Wolfesen Rehabilitation project, which includes \$8 million in American Recovery and Reinvestment Act (ARRA) funds and is expected to be complete in the spring of 2012. The contractor for the project is Teichert.

Currently, there are 807 ongoing construction contracts statewide at the California Department of Transportation, valued at over \$10.3 billion.
